

CRA Announcement

CRA Charles River
Associates

July 2017

CRA consultants named top patent professionals in *IAM Patent 1000 2017*

CRA vice presidents **Gregory Bell**, **James Donohue**, **Daniel McGavock**, **Raymond Sims**, and **Michael Tate** were recognized in the latest edition of *IAM Patent 1000 2017 – The World’s Leading Patent Professionals*, a guide that identifies and profiles leading private practice patent professionals and firms in the world’s key jurisdictions. The *IAM Patent 1000* names the best-in-class patent prosecution, licensing, and litigation practitioners on a global basis, as well as expert witnesses in the United States. The CRA consultants were identified by market sources for their exceptional skill sets and profound insights into patent matters.

Gregory Bell

Gregory Bell frequently testifies as an expert witness on damages in IP, finance, and antitrust litigation in courts and arbitration proceedings in North America, Europe, Asia, and Australia. He has considerable experience regarding lost profits, price erosion, and reasonable royalty issues in IP disputes. His business consulting engagements focus on the economics of business strategy, working with firms to develop sustainable competitive advantages in their product markets. This business perspective informs the accounting, economics, and finance analyses of his damages opinions. To learn more, click [here](#).

James Donohue

James Donohue has served as a financial consultant for more than 20 years in a wide range of areas, including damages, valuation, and forensic accounting. He has extensive experience in IP valuation, transactions, and litigation. He has provided expert damages testimony in federal, state, and bankruptcy courts, as well as in various arbitration venues. In addition to his IP litigation-related experience, Mr. Donohue has also provided IP-focused fairness opinions and transaction and valuation services in a broad range of industries. Daniel McGavock

Daniel McGavock has specialized in the valuation and strategic management of intellectual property for more than 30 years. He has provided expert testimony in over 75 IP matters and has experience

in a variety of forums. Mr. McGavock has addressed all areas of potential economic recovery in IP disputes, including lost profits, price erosion, reasonable royalty, fair, reasonable and non-discriminatory licensing terms, profit disgorgement, and unjust enrichment. He has also addressed the issues of commercial success and the economic impact of injunctions. To learn more, click [here](#).

Raymond Sims

Raymond Sims has over 30 years of experience consulting for a wide variety of clients on issues relating to valuation, strategic management and negotiating strategy involving IP assets. He frequently advises companies and their counsel on economic issues in commercial litigation and has served as an expert witness in over 200 patent litigation matters. Mr. Sims has been retained on behalf of both plaintiffs and defendants in high-stakes litigation matters involving patents in a variety of industries. To learn more, click [here](#).

Michael Tate

Michael Tate has served as a consultant and expert on IP matters for over 30 years. He has served as a consultant and expert to a wide variety of business and industrial clients on matters involving financial analyses and modelling for the purpose of interpreting and projecting data and evaluating the economic impact of business decisions, transactions, and economic events. Mr. Tate has served as an expert witness or consultant in a wide range of litigation matters, including patent, trademark, copyright, and trade secret infringement litigation.
